

[C3550 Ipservicesk9 Mz 122 55 Se8 14](#)

Please check the notepad file in the attachment.

Through Xmode transfer it didnt show remaing time, packet, how much file to be transfer , as i click on the send file sending file appears and after 1min it gives

NO response from the remote sytem.

I followed even a single step as mentioned on the cisco website, recovery for cisco ios image
